SIR,

I have the honor to state that the Deputy Commissioner, Mysore District, has in his letter No.697/30 dated 17th March 1930 recommended the grant of maximum pay of the Peshkar's appointment, viz., Rs.67/- to Mr. Narasimhaiah, the present Peshkar of the Sri Srikanteswaraswami ---- temple at Nanjangud under the following circumstances:-

2. Mr. Narasimhaiah was posted as the temple Peshkar in March 1930 on Rs.57/- in the grade of 56-2-67. He has now been drawing Rs.59/- as he earned one increment since joining the temple.

He is reported to be managing the affairs of the institution --- very efficiently and to keep every thing trim. His close supervision has resulted in an increase of about Rs.4400/- in the income of the --- temple from goluka, Kanike and other sources. He has also taken prompt and necessary action to have the heavy debit balance adjusted by timely conversion of unserviceable gold and silver articles into cash so much so that the temple had a credit balance of Rs.12,109-15-5 in cash at the end of February 1931 in addition to an invested surplus of Rs.500/- in 3½% loan bonds. A comparative statement showing the receipts during the corresponding period of previous and current years under certain head of income is enclosed herewith for perusal. The improvement is said to be due to a large extent to the personal enthusiasm of the Peshkar.

3. The appointment of the Peshkari of the Nanjongud Temple which is of the same rank as of a Taluk Sheristedar has been placed on a par with that of the Melkote temple (vide G.O.No.1900-905/Mun.92-17-5 dated 9th February 1918) and the present Peshkar of the latter institution has been

been allowed to draw the maximum pay of the appointment. Nanjangud temple has an average annual income of Rs.34058-0-0 a scale under revision provides for an expenditure of Rs.32367/- (inc of provision of Rs.2000/- for the repayment of the loans advanced from Chamarajnagar temple funds and the General Muzrai fund) and leaves an annual recurring surplus of Rs.1691-0-0.

4. Having regard to the heavy and responsible duties of the ---- Peshkar requiring his attendance from ~~every~~ early morning till late in the -- night every day and the considerable improvements that have been brought about in the affairs of this important institution and its income, I beg that the Deputy Commissioner's recommendation may kindly be approved the extra cost involved being met from the funds of the institution --- provision for which will be made in the revision proposals separately - under consideration.

A copy of the Deputy Commissioner's letter referred to above is sent herewith.

5. The further information called for in your letter No.464/Muz. 144-29-3 dated 6th September 1930 in the matter of fixing a revised scale of income and expenditure in the temple has since been received from the Deputy Commissioner. The proposals submitted with my letter of the 5th August 1930 are being re-examined in the light of the information now -- furnished and definite recommendations will be sent up early.

I have the honor to be,

Sir,

Your most obedient servant,

Yellappa Rao

Muzrai Commissioner.

BMK

Letter No.H.697/30 dated 17-3-30 from the Deputy Commissioner, Mysore District, to the Muzrai Commissioner in Mysore.

Peshkar - Sri Srikanteswaraswamy temple, Nanjangud - Grant of maximum pay.

I have the honor to state that during my last visit to the Sri Srikante Srikanteswaraswamy temple at Nanjangud, the Peshkar, Mr. S. Narsimhaiya, represented to me that his work in the temple is very heavy and a responsible one requiring his attendance from early morning till late in the night every day, and that he may be permitted to draw the maximum pay of the appointment viz., R 67/- (R 57-2-67 grade).

The Sub Division Officer, Nanjangud, who has watched the work of the present Peshkar reports that on account of the change effected by me, under your approval, in the administration of the temple during March 1930, there is considerable improvement now only in the affairs of the institution, but also in the income of the temple, generally in all directions as can be seen from the enclosed statement showing the income of the temple from March 1930 to February 1931 with the comparative figures of the previous year. The net increase in the income for one year after Mr. Narasimhaiya assumed charge of the Nanjangud temple, is Rs 4399-10-5 as against the income of the previous year. The Sub Division Officer recommends sanction to the prayer of the Peshkar.

I have also examined the work of the Peshkar. He has been managing the affairs efficiently and he has kept everything in good order. The work of the Nanjangud temple is equal to that of the Melkote temple and in certain respects it is a more responsible one. The temple which consists of a big establishment requires an intelligent and firm Peshkar to control it. Mr. Narasimhaiya who satisfies all these conditions has managed to adjust the deficit balance of the institution which has been continuing from a long time. The financial position of the temple has greatly improved during the first half of the current year. I may add that he is enthusiastic about his work. The good work of the Peshkar requires to be recognised.

Under the circumstances I request that sanction of Government may kindly be obtained to the prayer of the Peshkar to draw the maximum of Rs 67/- as personal to him only. I may state that he has earned one increment of the grade R 57-2-67/-.
